"Nature Unfiltered: A Reel Celebration"

The BMS Club, in association with the Green Club, is excited to announce the "Nature Unfiltered: A Reel Celebration" competition. This event invites all students to create and share reels that capture the raw beauty of nature, expressing their love and appreciation for the environment. Through this creative platform, we aim to foster sustainability and environmental consciousness among students. Join us in celebrating nature's wonders, and let your reels inspire others to preserve and protect our planet. Don't miss this opportunity to showcase your talent and passion for nature!

All students and staff members are requested to attend the program.

Date:- 24th August 2024

Time:- 0930 am – 1000 am

Venue:- 901

Activity Report

Name of Activity: "Nature Unfiltered- A Reel Celebration"

Conducted by : BMS Club in Association with Green Club

Day/Date/Time : Saturday 24 August 2024, 0900 am to 1000 am.

Name(s) of Teacher(s) In charge : Asst Prof Neelam Gupta & Asst Prof Srishti Mishra

Place : Room No 901

No. of Participants : 23 Students

No. of Beneficiaries: 52 Students

Description of Activity : The *Nature Unfiltered: A Reel Celebration* Event was designed to encourage students to express their creativity and appreciation for nature through short video reels. A total of 23 reels were submitted by participants before the event. The screening of these reels took place on August 24th in front of the student body. The esteemed judge, Mr. Suraj Dhuntal, who was unable to attend the event in person, evaluated the reels remotely. The reels were shared with him, and he assessed them based on predetermined criteria. After careful consideration, Mr. Dhuntal sent the names of the Winners via email.

Sr. Editor in Prime Focus Technologies and Director

Feedback Analysis : The event received positive feedback from both participants and attendees. Students appreciated the opportunity to showcase their creative work and the platform provided to express their thoughts on nature conservation. The virtual judging process was smooth, and participants were satisfied with the transparency and fairness of the evaluation. However, some students suggested that having the Judge present in person could add more value and provide an opportunity for direct feedback.

Expenses incurred for the Activity : 0

Review of activity with Suggestions : In future events, consider arranging for the Judge to be present in person or virtually for a live interaction session. This would allow participants to receive immediate feedback and insights.

Overall, *Nature Unfiltered* was a successful event that highlighted the students talents and their commitment to nature. The suggestions provided will help in planning even more impactful events in the future.
